

CHAPTER 17
AIRPORT OVERLAY ZONE, AOZ

17.19

NON-CONFORMING USE - REGULATIONS NOT RETROACTIVE

The regulations prescribed in this Chapter shall not be construed to require the removal, lowering, or other changes or alterations in any structure or tree not conforming to the regulations as of the effective date of this ordinance, or otherwise interfere with the continuance of a non-conforming use. Nothing contained herein shall require any change in the construction, alterations, or intended use of any structure, the construction or alteration which was begun prior to the effective date of this ordinance, and is diligently prosecuted.
